Dear Sir/Madam,

Offer for Accrol Group Holdings plc (the "Company")

I, the undersigned, understand that the Offeror is considering the Transaction (as defined below) substantially on the terms and conditions set out or referred to in a draft of the announcement, a copy of which is at Annex 2 (the "**Announcement**"), to be made pursuant to Rule 2.7 of the City Code on Takeovers and Mergers (the "**Code**").

All references in this deed to the "**Transaction**" shall:

- (i) mean the proposed acquisition by the Offeror of the entire issued and to be issued share capital of the Company, which acquisition may be by way of takeover offer (within the meaning of section 974 of the Companies Act 2006) (referred to in this deed as the "**Takeover Offer**") or a scheme of arrangement (under Part 26 of the Companies Act 2006) (referred to in this deed as the "**Scheme**"); and
- (ii) include any extended, increased or revised offer by the Offeror for any acquisition as referred to in paragraph (i) above, the terms of which are at least as favourable to shareholders of the Company as the terms set out in the Announcement or the Scheme (as the case may be).

1. Warranties and undertakings

Subject to and conditional on the Offeror announcing the Transaction by 5.00 p.m. on 22 March 2024 (or such later date as the Company and the Offeror may agree), I irrevocably undertake, represent and warrant to the Offeror that:

- (i) I am the beneficial owner and/or the registered holder of (or I am otherwise able to control the exercise of all rights, including voting rights, attaching to), the number of ordinary shares of £0.001 each in the capital of the Company set out in Part 1 of Annex 1 (the "**Shares**", which expression shall include any other shares in the Company issued after the date hereof and attributable to or derived from such shares);
- (ii) I am the holder of the number of options and awards over the share capital of the Company as set out in Part 2 of Annex 1 (the "**Awards**");
- (iii) I am not interested in, or otherwise able to control the exercise of rights attributable to, any shares or other securities (as defined in the Code) of the Company, other than those of which details are set out in Annex 1;
- (iv) I am able to transfer, or procure the transfer of, the Shares free from all liens, equities, charges, encumbrances, options, rights of pre-emption, and any other third-party rights and interests of any nature;
- (v) I shall not prior to the earlier of the Transaction becoming Effective (as defined in the Announcement) or this undertaking lapsing in accordance with paragraph 5 of this deed:
 - (a) sell, transfer, charge, encumber, grant any option over or otherwise dispose of or permit the sale, transfer, charging or other disposition or creation or grant of any other encumbrance or option of or over all or any of such Shares or interest in such Shares except under the Transaction; or
 - (b) exercise any voting rights attaching to the Shares to vote in favour of any resolution to approve an acquisition of the Company or any other transaction which is proposed by any person other than the Offeror or which would compete with, frustrate or otherwise impede the Transaction;
 - (c) without the consent of the Offeror, in relation to the Shares, requisition, or join in requisitioning, any general, class or other meeting of the Company for the purposes of voting on any resolution to approve an acquisition or any other transaction or corporate action which is proposed in competition with or which otherwise would, or could reasonably be expected to frustrate or otherwise impede the Transaction;
 - (d) accept, or give any undertaking (whether conditional or unconditional) to accept any offer (whether implemented by way of a takeover offer or scheme of arrangement) in respect of the Shares by any person other than the Offeror; or
 - (e) enter into any agreement or arrangement or incur any obligation:
 - (I) in relation, or operating by reference, to the Shares which could or might reasonably restrict or impede my ability to comply with this deed; or

(II) to do all or any of the acts referred to in paragraphs (a), (b), (c) or (d) above,

and references to any agreement, arrangement or obligation shall include any such agreement, arrangement or obligation whether or not legally binding or subject to any condition;

- (vi) prior to the earlier of the Transaction becoming Effective (as defined in the Announcement) or this undertaking lapsing in accordance with paragraph 5 of this deed, and save for the Shares and the exercise of options under any of the Company's share option schemes, I will not acquire any shares or other securities of the Company (or any interest therein) and, if any such shares, securities or interest are acquired by me (including for these purposes pursuant to the exercise or vesting of the Awards), such shares, securities or interest (as the case may be) shall be deemed to be included in the expression "**Shares**" for the purposes of this deed and will be subject to the terms of this deed, and I shall notify the Offeror of any such acquisition and of any other dealing, disposal or change in the number of Shares;
- (vii) I have full power and authority to enter into and perform my obligations under this deed in accordance with its terms; and
- (viii) I shall promptly notify the Offeror in writing of any change to or inaccuracy in any information supplied, or representation or warranty given, by me under this deed.

2. Scheme

Subject to and conditional on the Offeror announcing the Transaction by 5.00 p.m. on 22 March 2024 (or such later date as the Company and the Offeror may agree), I irrevocably undertake and warrant, if the Transaction is implemented by way of the Scheme, to the Offeror that unless the Offeror otherwise requests in writing:

- (i) I shall exercise, or, where applicable, procure the exercise of, all voting rights attaching to the Shares to vote in favour of all the resolutions to approve and implement the Scheme (whether or not amended and whether put on a show of hands or a poll) which is proposed at any general meeting of the Company (including any adjournment thereof) ("**General Meeting**") or at any meeting of holders of shares in the Company convened by a Court (including any adjournment thereof) ("**Court Meeting**");
- (ii) I shall exercise, or, where applicable, procure the exercise of, all rights attaching to the Shares to requisition or join in the requisitioning of any General Meeting of the Company for the purposes of voting on any resolution referred to under paragraph 2(i) above, or to require the Company to give notice of any such meeting, only in accordance with the Offeror's instructions;
- (iii) I shall exercise or, where applicable, procure the exercise of, all voting rights attaching to the Shares to vote against any resolution or proposal to adjourn the General Meeting;

- (iv) I shall exercise, or, where applicable, procure the exercise of, all voting rights attaching to the Shares against any resolution (whether or not amended and whether put to a show of hands or a poll) which is proposed at any general or class meeting of the Company (including any adjournment thereof) or at any meeting of holders of shares in the Company convened by a court (including any adjournment thereof) which might reasonably be expected to:
 - (a) delay, impede or frustrate the Scheme in any way (which shall include any resolution to approve a scheme of arrangement or acquisition of any shares in the Company by a third party); or
 - (b) have an impact on the fulfilment of any condition to the Scheme; and
- (v) I shall after the posting of the circular to be sent to shareholders of the Company containing an explanatory statement in respect of the Scheme (the "**Scheme Document**") (and without prejudice to any right I have to attend and vote in person at the Court Meeting and the General Meeting to approve and implement the Scheme), return, or procure the return of, if applicable, the signed forms of proxy enclosed with the Scheme Document (completed and signed and voting in favour of all the resolutions to approve and implement the Scheme) in accordance with the instructions printed on those forms of proxy and, if applicable, in respect of any Shares held in uncertificated form, instruct (or instruct my nominee, broker or custodian to instruct) the CREST sponsor to complete and transmit CREST proxy instructions (voting in favour of all the resolutions to approve and implement the Scheme), in each case, as soon as possible and in any event no fewer than three business days in advance of the relevant proxy cut-off deadline for the relevant vote; and
- (vi) I shall not, and shall procure that any registered shareholder of the Shares from time to time shall not amend, revoke or withdraw any such proxy once it has been returned in accordance with paragraph 2(v) above, either in writing or by attendance at any General Meeting or Court Meeting or otherwise.

3. Takeover Offer

I acknowledge that the Offeror may elect at any time (with the consent of the Panel on Takeovers and Mergers (the "**Panel**")) to implement the Transaction by way of a Takeover Offer and, subject to and conditional on the Offeror announcing the Transaction by 5.00 p.m. on 22 March 2024 (or such later date as the Company and the Offeror may agree), I irrevocably undertake and warrant, if the Transaction is implemented by way of a Takeover Offer, to the Offeror that my obligations under this deed shall apply *mutatis mutandis* and, in particular, that:

- (i) the Shares shall be acquired by the Offeror (and upon the Takeover Offer being made, I will be able to accept or, where applicable, procure the acceptance of the Takeover Offer in respect of the Shares and to transfer, or procure the transfer of, the Shares) free from all liens, equities, charges, encumbrances, options, rights of pre-emption and any other third party rights and interests of any nature and together with all rights now or hereafter attaching or accruing to them, including voting rights and (save as otherwise

provided in accordance with the terms of the Transaction) the right to receive and retain in full all dividends of any nature and other distributions (if any) hereafter declared, made or paid;

- (ii) I shall as soon as possible and in any event within ten business days after the posting of the formal document containing the Takeover Offer (the “**Offer Document**”) (or, in respect of any shares allotted to me after the posting of the Offer Document, as soon as possible and in any event within ten business days of such allotment or acquisition) duly accept or procure acceptance of the Takeover Offer in accordance with its terms in respect of the Shares (and, in respect of any Shares held in certificated form, shall forward, or procure the forwarding of, the relevant share certificate(s) to the Offeror or its nominated representative (or a form of indemnity acceptable to the directors of the Company in respect of any lost certificate(s)) at the time of acceptance and, in respect of any Shares held in uncertificated form, instruct (or procure that my nominee, broker or custodian instructs) the CREST sponsor to complete and transmit the relevant instructions through CREST, and otherwise take or procure to be taken all such action as may be specified in the Offer Document as may be reasonably necessary to transfer the Shares to the appropriate escrow balance; and
- (iii) notwithstanding any of the terms of the Offer Document which confer rights of withdrawal on accepting shareholders, I shall not withdraw any acceptance of the Takeover Offer in respect of the Shares or any of them and shall procure that no rights to withdraw any acceptance in respect of such Shares are exercised.

4. Power of attorney

Subject to paragraph 5 of this deed, I irrevocably and by way of security for my obligations hereunder appoint each of the Offeror and any director of the Offeror to be my attorney to execute on my behalf any proxy forms for any Court Meeting or General Meeting or forms of acceptance to be issued with the Offer Document in respect of the Shares (as applicable) and to sign, execute and deliver any documents and to do all acts and things as may be necessary for or incidental to facilitate the completion of the Transaction, the acceptance of the Takeover Offer (as the case may be) and/or performance of my obligations under this deed, in circumstances where the performance of such actions or obligations by me have not otherwise been fulfilled before the deadlines set out in this deed. I undertake to ratify and confirm whatsoever my attorney shall lawfully do or cause to be done by virtue of this power of attorney.

5. Lapse of undertaking

5.1 This deed shall, notwithstanding any other provision hereof, terminate and cease to have any effect on the earlier of the following occurrences:

- (i) the Announcement not being published by 5.00 p.m. on 22 March 2024 or such later date as the Offeror and the Company may agree; or
- (ii) the Scheme Document or the Offer Document (as the case may be) not being published within 28 days of the issue of the Announcement (or such longer period as the Company

and Offeror agree, and the Panel permits), provided that if the Transaction was initially being implemented by way of a Scheme, and the Offeror elects to exercise its right to implement the Transaction by way of a Takeover Offer (with the consent of the Panel) or vice versa, the time period in this paragraph 5.1(ii) shall be extended to refer to within 28 days of the issue of the press announcement announcing the change in structure (or such other date for the posting of the Offer Document or Scheme Document (as applicable) as the Panel may require); or

- (iii) the Transaction has not become effective by 11.59 p.m. on the Long Stop Date (as defined in the Announcement): or
- (iv) the date on which the Transaction (whether implemented by way of Scheme or Takeover Offer) is withdrawn or lapses in accordance with its terms provided that this paragraph shall not apply where:
 - (a) a new, revised or replacement Scheme or Takeover Offer is announced by the Offeror in accordance with Rule 2.7 of the Code at the same time; or
 - (b) the Transaction is withdrawn or lapses as a result of the Offeror exercising its right, in accordance with the Code, to implement the Transaction by way of a Takeover Offer rather than by way of a Scheme or vice versa: or
- (v) the Offeror announces that it does not intend to proceed with the Transaction and no new, revised or replacement Scheme or Takeover Offer is announced by the Offeror in accordance with Rule 2.7 of the Code at the same time; or
- (vi) any competing offer for the shares of the Company by a third party other than the Offeror becomes wholly unconditional (if made by way of a takeover offer) or effective (if made by way of a scheme of arrangement).

5.2 If this deed lapses, I shall have no claim against the Offeror and the Offeror shall have no claim against me under the terms of this deed save in respect of any prior breach.

6. Disclosure

6.1 Subject to and conditional on the Offeror announcing the Transaction by 5.00 p.m. on 22 March 2024 (or such later date as the Company and the Offeror may agree), I acknowledge and consent to:

- (i) a copy of this deed being disclosed to the Panel;
- (ii) the inclusion of references to me and the registered holder(s) of any of the Shares in which I have (or will have as the case may be) a beneficial interest and to this deed (or particulars thereof) being set out in the Announcement, the Scheme Document and any Offer Document (if applicable) and any other announcement made, or document issued, by or on behalf of the Offeror or the Company in connection with the Transaction, in each case to the extent required by the Code; and

(iii) this deed being made publicly available as required by Rule 26 of the Code, including being made publicly available on the Offeror's and the Company's websites and particulars of it being contained in the Scheme Document of the Offer Document (as the case may be).

6.2 I further acknowledge that I am obliged to make appropriate disclosure under Rule 2.10(c) of the Code promptly after becoming aware that I will not be able to comply with the terms of this deed or no longer intend to do so.

7. Miscellaneous

7.1 I understand that the information provided to me in relation to the Transaction is given in confidence and must be kept confidential, save as required by law or any rule of any relevant regulatory body or stock exchange, until the Announcement is released or the information has otherwise become generally or publicly available, provided that I may disclose relevant information to my professional advisers who need to know such information for the purposes of advising me in relation to the contents of this deed. Before this time, I understand that I need to comply with the applicable restrictions on dealing in securities and disclosing inside information of the Criminal Justice Act 1993 and the Market Abuse Regulation (as it applies in the UK by virtue of the European Union (Withdrawal) Act 2018).

7.2 The obligations and provisions set out in this deed apply equally to the persons from whom I am to procure votes in favour of the resolutions to approve and implement the Scheme pursuant to paragraph 2(i) above or acceptance of the Takeover Offer pursuant to the terms of paragraph 3(i) above (as the case may be), and I shall procure the observance by such persons of the terms hereof as if they were each specifically a party hereto.

7.3 Nothing in this deed shall constitute an obligation for me, in my capacity as a director of the Company, to take any action which is not permitted by Practice Statement No. 29 issued by the Panel with respect to Rule 21.2 of the Code, nor should anything in this undertaking impose any obligations on me in my capacity as a director of the Company which would in any way impede or prejudice my obligations and duties, or fetter my discretion, as a director of the Company.

7.4 I acknowledge that damages may not be an adequate remedy for breach of this deed and that an order for specific performance or injunctive relief may be the only adequate remedy for any such breach.

7.5 I agree that any delay by the Offeror in exercising, or failing to exercise, any right or remedy under this deed shall not constitute a waiver of such right or remedy. I agree that the Offeror's rights and remedies under this deed are cumulative and not exclusive of any rights or remedies provided by law.

7.6 If any provision of this deed is held to be invalid or unenforceable, then such provision shall (so far as it is invalid or unenforceable) be given no effect and shall be deemed not to be included in this deed, but without invalidating any of the remaining provisions.

7.7 No amendment or variation will be made to this deed unless signed in writing by me and Offeror.

- 7.8 This deed shall bind my estate and personal representatives.
- 7.9 I acknowledge that the release of the Announcement is at the Offeror's absolute discretion. Nothing in this deed shall oblige the Offeror to announce or proceed with the Scheme or the Takeover Offer.
- 7.10 This deed shall be governed by and construed in accordance with English law. Any matter, claim or dispute, whether contractual or non-contractual, arising out of or in connection with this deed is to be governed by and determined in accordance with English law and shall be subject to the exclusive jurisdiction of the English courts.
- 7.11 References to time in this deed are to London time. I acknowledge and agree that time will be of the essence in respect of all dates, periods and timescales set out in this undertaking and any dates, periods and timescales which may be substituted for them by mutual agreement in writing.

I intend this document to be a deed and execute and deliver it as a deed.

**(to be implemented by way of a scheme of arrangement
under Part 26 of the Companies Act 2006)**

Summary

- The boards of directors of Navigator Paper UK Limited (“**Bidco**”) and Accrol Group Holdings plc (“**Accrol**”) are pleased to announce that they have reached agreement on the terms of a recommended all-cash offer by Bidco for the entire issued and to be issued share capital of Accrol (the “**Offer**”).

- The Offer values Accrol’s entire issued and to be issued share capital at approximately £127.5 million.
- The Cash Consideration represents a premium of approximately:

- 23.2 per cent. to the volume weighted average price per Accrol Share of 30.8 pence for the 12-month period ended on the Latest Practicable Date.

Dividends

- If any dividend, distribution or other return of value is announced, authorised, declared, made or paid in respect of Accrol Shares on or after the date of this Announcement and prior to the Effective Date, Bidco reserves the right to reduce the consideration payable for each Accrol Share under the terms of the Offer by the amount per Accrol Share of such dividend, distribution or other return of value. In such circumstances, Accrol Shareholders shall be entitled to retain any such dividend, distribution or other return of value announced, declared, made or paid.

Background to, and reasons for, the Offer

The Navigator Company, S.A. (“**Navigator**”) is a large Portuguese integrated pulp, paper, tissue, packaging and biomass-based energy company, listed on the Euronext Lisbon Stock Exchange (“**Euronext Lisbon**”), with a market capitalisation of approximately €2.73 billion, as at the Latest Practicable Date. In the financial year ended 31 December 2023 Navigator reported consolidated revenues of €1,953 million and consolidated EBITDA of €502 million.

Navigator is the European leader (excluding Russia) and is ranked 7th worldwide for its capacity in the production of fine printing and writing paper (Uncoated Woodfree Paper “**UWF**”), processing more than 1.6 million tonnes of paper per year. Furthermore, Navigator is Europe’s largest producer of Bleached Eucalyptus Kraft Pulp (“**BEKP**”) producing circa 1.6 million tonnes per year, and is the largest eucalyptus forest producer and manager in Portugal, with circa 100,000 hectares of forest under management.

In 2014 Navigator made the strategic decision to enter the tissue market, based on a business model comprising: (i) the production of tissue paper parent reels on a large industrial scale with direct integration of pulp into tissue production; (ii) converting facilities located in Navigator's core consumer markets of Western Europe and the UK; and (iii) serving both "At Home" and "Away from Home" client segments.

- In 2015, it acquired AMS Star Paper, which currently has the capacity to produce around 60,000 tons per annum of high-quality tissue paper and corresponding converting capacity.
- In 2018, it invested in a large-scale, greenfield tissue paper production plant at its industrial complex located in the Aveiro district, Portugal, which it integrated with its pulp mill and which now has tissue paper capacity of 70,000 tons per year and 55,000 tons of converting capacity.
- In 2023, it acquired the tissue consumer business of Spanish Gomà-Camps group as well as its industrial site located in the region of Zaragoza, which has a tissue paper production capacity of 35,000 tons and 55,000 tons of tissue converting capacity.

Navigator now has a total production capacity of 165,000 tons of tissue paper and 180,000 tonnes of tissue converting capacity per year generating approximately €293 million of annual revenue in 2023.

Navigator sees Accrol as a key pillar in its strategy of sustained expansion of its tissue business in the Western European market:

- Navigator believes the Offer presents a compelling opportunity to enter the UK market through the acquisition of a leading UK independent tissue paper converter, with competitive advantages, complementary values and strong alignment to Navigator.
- Accrol has a leading position in the UK consumer private label market segment, holding valuable commercial relationships with relevant tissue clients.

- Accrol has a professional and knowledgeable workforce, which Navigator values highly, and well invested manufacturing facilities which Navigator plans to retain as fully operational going forward.

Navigator's strategy is one of long-term value creation:

- It will focus on building on Accrol's market position as a trusted reference player in the UK tissue private label market, and supporting its growth across all its core product segments.
- It expects Accrol to benefit from Navigator's expertise and experience in operating similar tissue operations, helping to drive efficiency and productivity, as well as benefitting from Navigator's additional balance sheet capacity and access to capital, which provide the ability to support future growth.
- Combining Accrol's industrial sites, personnel, and client commercial relationships into the Navigator Group has the potential to enhance its performance for the benefit of customers, employees and stakeholders.

The acquisition of Accrol will reinforce Navigator's market position in the Western European tissue market. Navigator anticipates this would result in a consolidated turnover of approximately £500 million, with the UK market expected to contribute around 50 per cent. of Navigator's total tissue turnover.

Background to and reasons for the Accrol Directors' recommendation

Since its initial public offering in 2016, Accrol has undergone substantial transformation across its operations, and, has grown organically and through acquisitions, completing three acquisitions since 2020. Accrol is a leading tissue converter and supplier of toilet tissues, kitchen rolls, facial tissues, and wet wipes to many of the UK's leading discounters and grocery retailers across the UK.

In 2016, Accrol had revenue of circa £118 million and EBITDA of circa £15 million. The Accrol Board is proud of the incremental revenue and profit growth that has followed, driven by the successful turnaround of the business led by current CEO Gareth Jenkins, following the turmoil experienced in 2017 due to challenging trading conditions. Accrol is on track to report revenue of circa £205 million and EBITDA of at least £21 million in 2024, driven by increasing demand, strength of retail relationships, robust supply model and successful strategic integration of three complementary businesses.

Whilst the Accrol Directors are confident in the long-term prospects of the business as an independent listed company, the Accrol Board notes:

Larger scale as part of the Wider Navigator Group

Accrol is a manufacturer of scale with a business model of converting tissue for the private label market without being vertically integrated into the manufacturing of tissue paper in the UK. Accrol's largest competitors, including Kimberly Clark, Essity, Wepa and Sofidel are all vertically integrated into the manufacturing of tissue paper production. Whilst Accrol is able to source jumbo paper reels on the open market, price fluctuations in raw materials can expose the business to significant cost increases and margin volatility. As part of a larger integrated group, with paper and pulp making capacity, it would allow Accrol to continue to improve and maintain margins and win larger wallet share from the largest UK retailers by being an integrated supplier, benefitting from the capabilities, scale, network and resources of Navigator.

Market performance

Accrol's share price has generally been weak since late 2018, with the significant turnaround in the business not resulting in a sustained recovery. As previously announced, Accrol has experienced strong financial and operational performance throughout the recent past, delivering profit upgrades and improving margins but when coupled with broader economic and political uncertainty, the wider AIM market has suffered significant challenges and has as yet not resulted in a strong upward trend of the share price.

A key outcome of the previously announced 'Accrol Strategic Review' was the development of a paper mill to partially vertically integrate the Accrol Group. The debt profile for the Accrol Group through this period will naturally expand and the current share price is likely to result in significant challenges of raising equity to fund any other significant expansion project with alternative funding options potentially competing with shareholder strategic preferences. The acquisition into the Navigator Group offers potential to improve margins and benefit from a more stable, integrated supply chain.

In considering the Offer, the Accrol Directors have taken into account Navigator's stated intentions for the business and its employees and Navigator's integrated business model. The Accrol Directors believe that the Offer represents an opportunity which will result in a positive outcome for all its stakeholders, including customers, employees and shareholders.

Accordingly, the Accrol Directors intend to unanimously recommend that Accrol Shareholders vote in favour of the Scheme at the Court Meeting and vote in favour of the Resolutions at the General Meeting.

Recommendation

- The Accrol Directors, who have been so advised by Stifel as to the financial terms of the Offer, consider the terms of the Offer to be fair and reasonable. In providing their advice to the Accrol Directors, Stifel has taken into account the commercial assessments of the Accrol Directors. Stifel is providing independent financial advice to the Accrol Directors for the purposes of Rule 3 of the Code.
- **Accordingly, the Accrol Directors intend to recommend unanimously that Accrol Shareholders vote (or procure votes) in favour of the Scheme at the Court Meeting and the Resolutions at the General Meeting, as the Accrol Directors have irrevocably undertaken to do (or procure to be done) in respect of their interests and those of their connected persons in 17,124,230 Accrol Shares, in aggregate, representing approximately 5.4 per cent. of the issued share capital of Accrol as at the Latest Practicable Date.**

Irrevocable undertakings

- In addition to the irrevocable undertakings given by the Accrol Directors referred to immediately above, Bidco has also received an irrevocable undertaking to vote (or procure the voting) in favour of the Scheme at the Court Meeting and the Resolutions at the General Meeting from Lombard Odier Asset Management (Europe) Limited, in respect of 91,403,124 Accrol Shares, in aggregate, representing approximately 28.7 per cent. of Accrol's issued share capital as at the Latest Practicable Date.
- In aggregate therefore, Bidco has received irrevocable undertakings to vote in favour of the Scheme at the Court Meeting and the Resolutions at the General Meeting from the holders of 108,527,354 Accrol Shares in total representing approximately 34 per cent. of Accrol's issued share capital as at the Latest Practicable Date.
- Further details of these irrevocable undertakings, including the terms on which they cease to be binding, are set out in Appendix III to this Announcement.

Information on Bidco

- Bidco is an English private limited company which is indirectly wholly owned by Navigator.
- Navigator is a publicly traded company with its head office in Mitrena, 2901-861 Setúbal, and it is listed on the Euronext Lisbon. Navigator is an integrated producer of forest, pulp, paper, tissue, sustainable packaging solutions, and bioenergy.

Timetable and conditions

- It is intended that the Offer will be implemented by way of a Court-sanctioned scheme of arrangement under Part 26 of the Companies Act (or, if Bidco so elects, a Takeover Offer).
- The Offer is subject to the Conditions and certain further terms set out in Appendix I to this Announcement and to the full terms and conditions which will be set out in the Scheme Document. The Conditions include:
 - the approval by a majority in number of Accrol Shareholders present, entitled to vote and voting at the Court Meeting, either in person or by proxy, representing at least 75 per cent. in value of the Accrol Shares voted;
 - the approval of the Resolutions by the requisite majority or majorities of Accrol Shareholders at the General Meeting;
 - the sanction of the Scheme by the Court; and
 - the Scheme becoming Effective by no later than the Long Stop Date.
- The Offer is expected to become Effective in Q2 2024 subject to the satisfaction (or, where applicable, waiver) of the Conditions set out in Appendix I to this Announcement.

Further details of the Offer will be contained in the Scheme Document which is intended to be published, along with notices of the Court Meeting and General Meeting and the Forms of Proxy, within 28 days of the date of this Announcement, unless Accrol and Bidco otherwise agree, and the Panel consents, to a later date. Forward-looking Statements

This Announcement (including any information incorporated by reference in this Announcement), oral statements made regarding the Offer, and other information published by Navigator, Bidco or Accrol contain statements which are, or may be deemed to be, "forward-looking statements" with respect to Navigator, Bidco, Accrol and the Enlarged Navigator Group. These forward-looking statements can be identified by the fact that they do not relate only to historical or current facts. Forward-looking statements often use words such as "anticipate", "target", "expect", "estimate", "intend", "plan", "goal", "believe", "aim", "will", "may", "would", "could" or "should" or other words of similar meaning or the negative thereof. Forward-looking statements include statements relating to the following: (i) future capital expenditures, expenses, revenues, economic performance, synergies, financial conditions, market growth, dividend policy, losses and future prospects; (ii) business and management strategies and the expansion and growth of the operations of the Navigator Group or the Accrol Group; and (iii) the effects of government regulation on the business of the Navigator Group or the Accrol Group. There are many factors which could cause actual results to differ materially from those expressed or implied in forward-looking statements. Among such factors are the satisfaction (or, where permitted, waiver) of the Conditions as well as additional factors, such as domestic and global

business and economic conditions; the impact of pandemics, asset prices; market-related risks such as fluctuations in interest rates and exchange rates, industry trends, competition, changes in government and regulation, changes in the policies and actions of governments and/or regulatory authorities (including changes related to capital and tax), changes in political and economic stability (including exposures to terrorist activities, the UK's exit from the European Union, Eurozone instability, the Russia-Ukraine conflict), disruption in business operations due to reorganisation activities, interest rate, inflation, deflation and currency fluctuations, the timing impact and other uncertainties of future or planned acquisitions or disposals or offers, the inability of the Enlarged Navigator Group to realise successfully any anticipated synergy benefits when the Offer is implemented (including changes to the board and/or employee composition of the Enlarged Navigator Group), the inability of the Navigator Group to integrate successfully the Accrol Group's operations and programmes when the Offer is implemented, the Enlarged Navigator Group incurring and/or experiencing unanticipated costs and/or delays (including IT system failures, cyber-crime, fraud and pension scheme liabilities), or difficulties relating to the Offer when the Offer is implemented. Other unknown or unpredictable factors could affect future operations and/or cause actual results to differ materially from those in the forward-looking statements. Such forward-looking statements should therefore be construed in the light of such factors.

These forward-looking statements are based on numerous assumptions regarding the present and future business strategies of such persons and the environment in which each will operate in the future. By their nature, these forward-looking statements involve known and unknown risks and uncertainties (and other factors that are in many cases beyond the control of Accrol, Navigator and/or Bidco) because they relate to events and depend on circumstances that will occur in the future. The factors described in the context of such forward-looking statements in this Announcement may cause the actual results, performance or achievements of any such person, or industry results and developments, to be materially different from any results, performance or achievements expressed or implied by such forward-looking statements. No assurance can be given that such expectations will prove to have been correct and persons reading this Announcement are therefore cautioned not to place undue reliance on these forward-looking statements which speak only as at the date of this Announcement. None of the Navigator Group nor Accrol Group, nor any of their respective associates or directors, officers or advisers, provide any representation, warranty, assurance or guarantee that the occurrence of the events expressed or implied in any forward-looking statements in this Announcement will actually occur. All subsequent oral or written forward-looking statements attributable to Navigator, Bidco or Accrol or any persons acting on their behalf are expressly qualified in their entirety by the cautionary statements contained or referred to in this section. Other than in accordance with their legal or regulatory obligations (including under the Code, MAR and the AIM Rules), neither of Navigator, Bidco nor Accrol is under or undertakes any obligation, and each of the foregoing expressly disclaims any intention or obligation, to update or revise any forward-looking statements, whether as a result of new information, future events or otherwise.

No Profit Forecasts, Estimates or Quantified Financial Benefits Statements

Except where indicated in Section 8 of this Announcement, no statement in this Announcement is intended, or is to be construed, as a profit forecast or estimate for any period or a quantified financial benefits statement and no statement in this Announcement should be interpreted to mean that earnings or earnings per ordinary share, for Navigator, Bidco or Accrol, respectively for the current or future financial years would necessarily match or exceed the historical published earnings or earnings per ordinary share for Navigator, Bidco or Accrol, respectively.

Right to Switch to a Takeover Offer

Bidco reserves the right to elect, with the consent of the Panel, to implement the Offer by way of a Takeover Offer for the entire issued and to be issued share capital of Accrol as an alternative to the Scheme. In such an event, the Takeover Offer will be implemented on the same terms or, if Bidco so decides, on such other terms being no less favourable (subject to appropriate amendments), so far as

applicable, as those which would apply to the Scheme and subject to the amendment referred to in Part C of Appendix I to this Announcement.

Electronic Communication – Information Relating to Accrol Shareholders

Addresses, electronic addresses and certain other information provided by Accrol Shareholders, persons with information rights and other relevant persons for the receipt of communications from Accrol may be provided to Bidco during the Offer Period as required under Section 4 of Appendix 4 of the Code to comply with Rule 2.11(c) of the Code.

FOR IMMEDIATE RELEASE

22 March 2024

RECOMMENDED CASH OFFER

for

ACCROL GROUP HOLDINGS PLC

by

NAVIGATOR PAPER UK LIMITED

(an indirect wholly owned subsidiary of The Navigator Company, S.A.)

(to be implemented by way of a scheme of arrangement under Part 26 of the Companies Act 2006)

1. Introduction

The boards of directors of Navigator Paper UK Limited (“**Bidco**”) and Accrol Group Holdings plc (“**Accrol**”) are pleased to announce that they have reached agreement on the terms of a recommended all-cash offer by Bidco for the entire issued and to be issued share capital of Accrol (the “**Offer**”).

It is intended that the Offer will be implemented by way of a Court-sanctioned scheme of arrangement under Part 26 of the Companies Act (although Bidco reserves the right to implement the Offer by way of a Takeover Offer, with the consent of the Panel).

2. The Offer

Under the terms of the Offer, Accrol Shareholders will be entitled to receive:

for each Accrol Share: 38 pence in cash (the “Cash Consideration”)

The Offer values Accrol’s entire issued and to be issued share capital at approximately £127.5 million.

The Cash Consideration represents a premium of approximately:

- 11.8 per cent. to the Closing Price per Accrol Share of 34.0 pence on 21 March 2024 (being the latest practicable date prior to this Announcement (the “**Latest Practicable Date**”));
- 28.7 per cent. to the volume weighted average price per Accrol Share of 29.5 pence for the 6-month period ended on the Latest Practicable Date; and
- 23.2 per cent. to the volume weighted average price per Accrol Share of 30.8 pence for the 12-month period ended on the Latest Practicable Date.

The Accrol Shares will be acquired by Bidco fully paid and free from all liens, equitable interests, charges, encumbrances, rights of pre-emption and any other third-party rights or interests whatsoever and together with all rights existing at the date of this Announcement or thereafter attaching thereto, including (without limitation) the right to receive and retain, in full, all dividends and other distributions (if any) declared, made or paid or any other return of capital (whether by way of reduction of share capital or share premium account or otherwise) made on or after the Effective Date in respect of the Accrol Shares.

If any dividend, distribution or other return of value is announced, authorised, declared, made or paid in respect of Accrol Shares on or after the date of this Announcement and prior to the Effective Date, Bidco reserves the right to reduce the consideration payable for each Accrol Share under the terms of the Offer by the amount per Accrol Share of such dividend, distribution or other return of value. In such circumstances, Accrol Shareholders shall be entitled to retain any such dividend, distribution or other return of value announced, declared, made or paid.

3. Background to, and Reasons for, the Offer

The Navigator Company, S.A. (“**Navigator**”) is a large Portuguese integrated pulp, paper, tissue, packaging and biomass-based energy company, listed on the Euronext Lisbon, with a market capitalisation of approximately €2.73 billion, as at the Latest Practicable Date. In the financial year ended 31 December 2023 Navigator reported consolidated revenues of €1,953 million and consolidated EBITDA of €502 million.

Navigator is the European leader (excluding Russia) and is ranked 7th worldwide for its capacity in the production of fine printing and writing paper (Uncoated Woodfree Paper “**UWF**”), processing more than 1.6 million tonnes of paper per year. Furthermore, Navigator is Europe’s largest producer of Bleached Eucalyptus Kraft Pulp (“**BEKP**”) producing circa 1.6 million tonnes per year, and is the largest eucalyptus forest producer and manager in Portugal, with circa 100,000 hectares of forest under management.

In 2014 Navigator made the strategic decision to enter the tissue market, based on a business model comprising: (i) the production of tissue paper parent reels on a large industrial scale with direct integration of pulp into tissue production; (ii) converting facilities located in Navigator’s core consumer markets of Western Europe and the UK; and (iii) serving both “At Home” and “Away from Home” client segments.

- In 2015, it acquired AMS Star Paper, which currently has the capacity to produce around 60,000 tons per annum of high-quality tissue paper and corresponding converting capacity.
- In 2018, it invested in a large-scale, greenfield tissue paper production plant at its industrial complex located in the Aveiro district, Portugal, which it integrated with its pulp mill and which now has tissue paper capacity of 70,000 tons per year and 55,000 tons of converting capacity.
- In 2023, it acquired the tissue consumer business of Spanish Gomà-Camps group as well as its industrial site located in the region of Zaragoza, which has a tissue paper production capacity of 35,000 tons and 55,000 tons of tissue converting capacity.

Navigator now has a total production capacity of 165,000 tons of tissue paper and 180,000 tonnes of tissue converting capacity per year generating approximately €293 million of annual revenue in 2023.

Navigator sees Accrol as a key pillar in its strategy of sustained expansion of its tissue business in the Western European market:

- Navigator believes the Offer presents a compelling opportunity to enter the UK market through the acquisition of a leading UK independent tissue converter, with competitive advantages, complementary values and strong alignment to Navigator.

- Accrol has a leading position in the UK consumer private label market segment, holding valuable commercial relationships with relevant tissue clients.
- Accrol has a professional and knowledgeable workforce, which Navigator values highly, and well invested manufacturing facilities which Navigator plans to retain as fully operational going forward.

Navigator's strategy is one of long-term value creation:

- It will focus on building on Accrol's market position as a trusted reference player in the UK tissue private label market and supporting its growth across all its core product segments.
- It expects Accrol to benefit from Navigator's expertise and experience in operating similar tissue operations, helping to drive efficiency and productivity, as well as benefitting from Navigator's additional balance sheet capacity and access to capital, which provide the ability to support future growth.
- Combining Accrol's industrial sites, personnel, and client commercial relationships into the Navigator Group has the potential to enhance its performance for the benefit of customers, employees and stakeholders.

The acquisition of Accrol will reinforce Navigator's market position in the Western European tissue market. Navigator anticipates this would result in a consolidated turnover of approximately £500 million, with the UK market expected to contribute around 50 per cent. of Navigator's total tissue turnover.

4. Recommendation

The Accrol Directors, who have been so advised by Stifel as to the financial terms of the Offer, consider the terms of the Offer to be fair and reasonable. In providing their advice to the Accrol Directors, Stifel has taken into account the commercial assessments of the Accrol Directors. Stifel is providing independent financial advice to the Accrol Directors for the purposes of Rule 3 of the Code.

Accordingly, the Accrol Directors intend to recommend unanimously that Accrol Shareholders vote (or procure votes) in favour of the Scheme at the Court Meeting and the Resolutions at the General Meeting, as the Accrol Directors have irrevocably undertaken to do (or procure to be done) in respect of their interests and those of their connected persons in 17,124,230 Accrol Shares, in aggregate, representing approximately 5.4 per cent. of the issued share capital of Accrol as at the Latest Practicable Date.

5. Background to and Reasons for the Recommendation

Since its initial public offering in 2016, Accrol has undergone substantial transformation across its operations, and, has grown organically and through acquisitions, completing three acquisitions since 2020. Accrol is a leading tissue converter and supplier of toilet tissues, kitchen rolls, facial tissues, and wet wipes to many of the UK's leading discounters and grocery retailers across the UK.

In 2016, Accrol had revenue of circa £118 million and EBITDA of circa £15 million. The Accrol Board is proud of the incremental revenue and profit growth that has followed, driven by the successful turnaround of the business led by current CEO Gareth Jenkins, following the turmoil experienced in 2017 due to challenging trading conditions. Accrol is on track to report revenue of circa £205 million and EBITDA of at least £21 million in 2024, driven by increasing demand, strength of retail relationships, robust supply model and successful strategic integration of three complementary businesses.

Whilst the Accrol Directors are confident in the long-term prospects of the business as an independent listed company, the Accrol Board notes:

Larger scale as part of the Wider Navigator Group

Accrol is a manufacturer of scale with a business model of converting tissue for the private label market without being vertically integrated into the manufacturing of tissue paper in the UK. Accrol's largest competitors, including Kimberly Clark, Essity, Wepa and Sofidel are all vertically integrated into the manufacturing of tissue paper production. Whilst Accrol is able to source jumbo paper reels on the open market, price fluctuations in raw materials can expose the business to significant cost increases and margin volatility. As part of a larger integrated group, with paper and pulp making capacity, it would allow Accrol to continue to improve and maintain margins and win larger wallet share from the largest UK retailers by being an integrated supplier, benefitting from the capabilities, scale, network and resources of Navigator.

Market performance

Accrol's share price has generally been weak since late 2018, with the significant turnaround in the business not resulting in a sustained recovery. As previously announced, Accrol has experienced strong financial and operational performance throughout the recent past, delivering profit upgrades and improving margins but when coupled with broader economic and political uncertainty, the wider AIM market has suffered significant challenges and has as yet not resulted in a strong upward trend of the share price.

A key outcome of the previously announced 'Accrol Strategic Review' was the development of a paper mill to partially vertically integrate the Accrol Group. The debt profile for the Accrol Group through this period will naturally expand and the current share price is likely to result in significant challenges of raising equity to fund any other significant expansion project with alternative funding options potentially competing with shareholder strategic preferences. The acquisition into the Navigator Group offers potential to improve margins and benefit from a more stable, integrated supply chain.

In considering the Offer, the Accrol Directors have taken into account Navigator's stated intentions for the business and its employees and Navigator's integrated business model. The Accrol Directors believe that the Offer represents an opportunity which will result in a positive outcome for all its stakeholders, including customers, employees and shareholders.

Accordingly, the Accrol Directors intend to unanimously recommend that Accrol Shareholders vote in favour of the Scheme at the Court Meeting and vote in favour of the Resolutions at the General Meeting.

6. Irrevocable undertakings

In addition to the irrevocable undertakings given by the Accrol Directors, as set out in Section 4 above, Bidco has also received an irrevocable undertaking to vote (or procure the voting) in favour of the Scheme at the Court Meeting and the Resolutions at the General Meeting from Lombard Odier Asset Management (Europe) Limited in respect of 91,403,124 Accrol Shares, in aggregate, representing approximately 28.7 per cent. of Accrol's issued share capital as at the Latest Practicable Date.

In aggregate therefore, Bidco has received irrevocable undertakings to vote in favour of the Scheme at the Court Meeting and the Resolutions at the General Meeting from the holders of 108,527,354 Accrol Shares in total representing approximately 34 per cent. of Accrol's issued share capital as at the Latest Practicable Date.

Further details of these irrevocable undertakings, including the terms on which they cease to be binding, are set out in Appendix III to this Announcement.

8. Information on Accrol

Accrol is admitted to trading on AIM and its registered head office is located in Blackburn, UK.

Accrol is a leading tissue converter and supplier of toilet tissues, kitchen rolls, facial tissues, and wet wipes to many of the UK leading discounters and grocery retailers. Accrol now operates from five manufacturing sites supplying the UK tissue and wet wipes market valued at circa £3.0 billion (in retail sales value).

Accrol's mission is to deliver the best possible value to the UK consumer on essential everyday tissue, household and personal hygiene products, shaking up traditional brands by delivering the quality the consumer wants for the price they want to pay.

Accrol employs approximately 420 people and has net debt of circa £25.5 million as at 31 October 2023.

As announced on 30 January 2024, Accrol is on track to deliver FY24 revenue circa £205 million and adjusted EBITDA in line with Accrol Board's expectations of at least £21 million. This statement is an ordinary course profit forecast for the purposes of Rule 28.1 of the Code. The Scheme Document will repeat this statement, and include the assumptions and basis of preparation on which it is based and the Accrol Directors' confirmation, as required by Rule 28.1(c)(i) of the Code.

9. Financing

The cash consideration payable by Bidco pursuant to the acquisition will be funded from existing cash resources available to Navigator and transferred to Bidco pursuant to an inter-company loan.

Further information regarding these arrangements will be included in the Scheme Document.

Rothschild & Co, as financial adviser to the Wider Navigator Group, is satisfied that sufficient resources are available to Bidco to enable it to satisfy in full the cash consideration payable to Accrol Shareholders under the terms of the Offer.

Further information on the financing of the Offer will be set out in the Scheme Document.

10. Strategic Plans with regards to the Business, Directors, Management, Employees, Pensions, Research and Development, Locations

Strategic plans for Accrol

Navigator has a high regard for Accrol's business and intends to support and nurture the business under its proposed ownership, with Accrol benefiting from the capabilities, scale, network and resources of Navigator.

Navigator's intention is for Accrol to operate as part of the Wider Navigator Group. The acquisition will enable Navigator to enhance its proposition as Europe's leading tissue business.

Prior to the date of this Announcement, Navigator was granted access to certain due diligence information and Accrol's senior management in order to undertake confirmatory due diligence. Consequently, Navigator has not yet had access to sufficiently granular information to allow it to formulate a detailed operational plan regarding the integration of Accrol into the Navigator Group. Following the Effective Date and in the first six months of ownership, Navigator intends to work closely and collaboratively with Accrol's management to undertake an in-depth evaluation of the business and operations of Accrol. While the parameters of the review have not yet been finalised, Navigator expects that it will involve an evaluation of business expansion opportunities, development of ideas for enhancing the Enlarged Navigator Group's proposition and identification of potential areas of overlap in the Enlarged Navigator Group's portfolio of business (the "**Review**").

Directors, management and employees

Navigator values the skills and experience of Accrol's management and employees and believes that they will benefit from enhanced opportunities under the ownership of Navigator, given its broader activities and capabilities.

Navigator confirms that, following the Effective Date, the existing contractual and statutory employment rights of all of Accrol Group's management and employees will be fully safeguarded in accordance with applicable law. Navigator has not yet begun to carry out the Review and accordingly has, other than as set out below, not reached any conclusions or formulated any specific intentions as to its likely outcome or made any decisions in relation to any detailed actions that may be taken as a result of the Review. Navigator therefore cannot be certain what impact there will be on the employment of, and the balance of skills and functions of, or terms and conditions of employment of, the management and employees of the Enlarged Navigator Group. However, Navigator has no intention to make any material change to the conditions of employment of Accrol's employees or in the balance of the skills and functions of the employees and management of Accrol.

There may be certain overlapping functions associated with Accrol's status as a publicly traded company which may no longer be required following the Effective Date

Any reduction in headcount is not expected to be material in the context of the Accrol Group, and will be focused on the above areas. Any such reductions would also be subject to appropriate consultation with employees and employee representative bodies in accordance with applicable law.

It is intended that, with effect from the Offer becoming Effective, each member of the Accrol Board will resign from his office as a director of Accrol. In addition, each of the executive directors has entered into a settlement agreement, setting out the terms upon which his employment with the Accrol Group will terminate, such termination to take effect from the Effective Date. Further details of these settlement agreements and the non-executive directors resignation letters will be set out in the Scheme Document to be sent to Accrol Shareholders in due course.

Pension Schemes

Accrol does not operate or contribute to any defined benefit pension schemes in respect of its employees. It does, however, operate certain defined contribution pension schemes. Navigator does not intend to make any changes to the eligibility rules or contribution rates that currently apply under Accrol's defined contribution pension plans. Navigator confirms that it will comply with all applicable laws in connection with the provision of retirement benefits.

Management incentivisation arrangements

Navigator has not entered into and has not discussed any form of incentivisation arrangements with members of Accrol's management and will not have any such discussions prior to the Effective Date. Upon the Effective Date Navigator intends to review Accrol's incentivisation arrangements and consider putting in place in due course appropriate arrangements for Accrol's management consistent with Navigator's existing incentive schemes.

Locations of business, fixed assets, headquarters and research and development

Following the Effective Date, Navigator intends that Accrol will operate within the Wider Navigator Group. Navigator does not intend to change the location of Accrol's core tissue manufacturing facilities in Leicester, Blackburn and Leyland or its headquarters. Save as described above in relation to the removal of overlapping functions relating to Accrol's status as a publicly traded company, the headquarters functions will remain unchanged. Navigator has no intention to redeploy the fixed assets of Accrol or to make any changes to the R&D functions of Accrol.

Trading facilities

The Accrol Shares are currently admitted to trading on AIM. Subject to the Offer becoming Effective, an application will be made to the London Stock Exchange to cancel the admission of the Accrol Shares to trading on AIM, following which Accrol will be re-registered as a private limited company.

No statements in this Section 10 are "post-offer undertakings" for the purposes of Rule 19.5 of the Code.

11. Accrol Share Schemes and Warrants

Accrol Share Schemes

Participants in the Accrol Share Schemes will be contacted regarding the effect of the Offer on their rights under the Accrol Share Schemes, and appropriate proposals will be made to such participants in accordance with Rule 15 of the Code. Further details of such proposals will be set out in the Scheme Document and in separate letters to be sent to the participants in the Accrol Share Schemes in due course.

Warrants

Pursuant to the Warrant Instrument, the Warrant Holder has a right to subscribe for 2,790,361 Accrol Shares at the subscription price of £1.00 per Accrol Share (“**Warrants**”). Since all outstanding Warrants have an exercise price which is greater than the Cash Consideration per Accrol Share, no formal proposals will be made to the Warrant Holder in respect of its Warrants under Rule 15 of the Code. Furthermore, the Warrant Holder has, pursuant to a deed of waiver dated 20 March 2024, irrevocably agreed to waive its right in full to exercise the Warrants upon the Offer becoming Effective (“**Warrant Waiver**”).

12. Offer-related Arrangements

Confidentiality Agreement

Navigator and Accrol entered into a confidentiality agreement on 12 January 2024 (the “**Confidentiality Agreement**”), pursuant to which Navigator has undertaken (in respect of itself, the Wider Navigator Group and its Related Persons (as such term is defined in the Confidentiality Agreement)) to keep confidential information relating to, among other things, Accrol and not to disclose it to third parties (with certain exceptions) unless required by law or regulation or permitted pursuant to limited carve-outs to the obligations of confidentiality. The Confidentiality Agreement also includes customary standstill and non-solicitation obligations applicable to Bidco.

The confidentiality obligations will remain in force until the Scheme becomes Effective or, in the event the Scheme does not become Effective, until the date falling 18 months from the date of the Confidentiality Agreement.

13. Structure of the Offer

Scheme

It is intended that the Offer will be implemented by way of a Court-sanctioned scheme of arrangement between Accrol and the Accrol Shareholders under Part 26 of the Companies Act.

The purpose of the Scheme is to provide for Bidco to become the holder of the entire issued and to be issued share capital of Accrol. This is to be achieved by the transfer of the Accrol Shares to Bidco (or a nominee of Bidco) in consideration for which the Accrol Shareholders who are on the Accrol register of members at the Scheme Record Time will receive the Cash Consideration on the basis set out in Section 2 of this Announcement.

Approval by Court Meeting and General Meeting

To become Effective, the Scheme requires, among other things, the:

- (a) approval of a majority in number of the Accrol Shareholders who are present and vote, either in person or by proxy, at the Court Meeting and who represent not less than 75 per cent. in value of the Accrol Shares voted by those Accrol Shareholders; and
- (b) approval of the requisite majorities of the votes cast, either in person or by proxy, of the Resolutions at the General Meeting.

Application to Court to Sanction the Scheme

Once the approvals of the Accrol Shareholders have been obtained at the Court Meeting and the General Meeting, and the other Conditions have been satisfied or (where applicable) waived, the Scheme must be sanctioned by the Court at the Court Hearing.

The Scheme will become effective in accordance with its terms on delivery of a copy of the Court Order to the Registrar of Companies. Upon the Scheme becoming Effective, it will be binding on all Accrol

Shareholders, irrespective of whether or not they attended or voted at the Court Meeting or General Meeting, or whether they voted in favour of or against the Scheme.

Full Details of the Scheme to be set out in the Scheme Document

The Scheme Document will include full details of the Scheme, including the expected timetable and the action to be taken by Accrol Shareholders.

The Scheme will be governed by English law. The Scheme will be subject to the jurisdiction of the English courts and the applicable requirements of the Code, the Panel, the London Stock Exchange, the FCA and the AIM Rules.

It is expected that the Scheme Document, along with the notice of the Court Meeting and the General Meeting and the Forms of Proxy will be published and sent to Accrol Shareholders and, for information only, to participants in the Accrol Share Schemes within 28 days of this Announcement, unless Bidco and Accrol otherwise agree, and the Panel consents, to a later date.

At this stage, subject to the approval and availability of the Court (which is subject to change), and subject to the satisfaction (or, where applicable, waiver) of the Conditions, Bidco expects the Offer will become Effective in Q2 2024.

Subject to certain restrictions relating to persons resident in Restricted Jurisdictions, the Scheme Document will also be made available on Bidco's website at <https://www.thenavigatorcompany.com/Investidores/Recommended-cash-offer-for-accrol-group-holdings-plc> and Accrol's website at <https://www.accrol.co.uk/investors/recommended-offer-for-accrol-group-holdings-plc>.

Conditions to the Offer

The Offer will be subject to the Conditions and further terms set out in full in Appendix I to this Announcement and to be set out in the Scheme Document.

The Conditions set out in paragraphs 1 and 2 of Appendix I to this Announcement provide that the Scheme will lapse if:

- (a) it does not become Effective by 11.59 p.m. on the Long Stop Date;
- (b) the Court Meeting is not held on or before the 22nd day after the expected date of the Court Meeting to be set out in the Scheme Document in due course (or such later date as (a) may be agreed between Bidco and Accrol; or (b) (in a competitive situation) specified by Bidco with the consent of the Panel and, in either case, if required, as the Court may allow);
- (c) the General Meeting is not held on or before the 22nd day after the expected date of the General Meeting to be set out in the Scheme Document in due course (or such later date as (a) may be agreed between Bidco and Accrol; or (b) (in a competitive situation) specified by Bidco with the consent of the Panel and, in either case, if required, as the Court may allow); or
- (d) the Scheme is not sanctioned on or before the 22nd day after the expected date of the Court Hearing to be set out in the Scheme Document in due course (or such later date as (a) may be agreed between Bidco and Accrol; or (b) (in a competitive situation) specified by Bidco with the consent of the Panel and, in either case, if required, as the Court may allow) and a copy of the Court Order is not delivered to the Registrar of Companies.

Right to Switch to a Takeover Offer

Bidco reserves the right to elect, with the consent of the Panel, to implement the Offer by way of a Takeover Offer for the entire issued and to be issued share capital of Accrol as an alternative to the

Scheme. In such an event, the Takeover Offer will be implemented on the same terms or, if Bidco so decides, on such other terms being no less favourable (subject to appropriate amendments), so far as applicable, as those which would apply to the Scheme and subject to the amendment referred to in Part C of Appendix I to this Announcement.

14. Cancellation of admission to trading on AIM of the Accrol Shares and Re-registration

It is intended that dealings in Accrol Shares will be suspended on or shortly before the Effective Date at a time to be set out in the Scheme Document or as separately announced following the date of this Announcement. It is further intended that an application will be made to the London Stock Exchange for the cancellation of the admission to trading of the Accrol Shares on AIM with effect on, or shortly after, the Effective Date. It is currently expected that the last day of dealings in Accrol Shares on AIM will be the Business Day immediately prior to the Effective Date, and that no transfers will be registered after 6.00 p.m. on that date.

Upon the Scheme becoming Effective, share certificates in respect of the Accrol Shares will cease to be valid. In addition, entitlements to Accrol Shares held within the CREST system will be cancelled on the Effective Date.

As soon as practicable after the Effective Date, it is intended that Accrol will be re-registered as a private limited company under the relevant provisions of the Companies Act.

Forward-looking statements include statements relating to the following: (i) future capital expenditures, expenses, revenues, economic performance, synergies, financial conditions, market growth, dividend policy, losses and future prospects; (ii) business and management strategies and the expansion and growth of the operations of the Navigator Group or the Accrol Group; and (iii) the effects of government regulation on the business of the Navigator Group or the Accrol Group. There are many factors which could cause actual results to differ materially from those expressed or implied in forward-looking statements. Among such factors are the satisfaction (or, where permitted, waiver) of the Conditions as well as additional factors, such as domestic and global business and economic conditions; the impact of pandemics, asset prices; market-related risks such as fluctuations in interest rates and exchange rates, industry trends, competition, changes in government and regulation, changes in the policies and actions of governments and/or regulatory authorities (including changes related to capital and tax), changes in political and economic stability (including exposures to terrorist activities, the UK’s exit from the European Union, Eurozone instability, the Russia-Ukraine conflict, disruption in business operations due to reorganisation activities, interest rate, inflation, deflation and currency fluctuations), the timing impact and other uncertainties of future or planned acquisitions or disposals or offers, the inability of the Enlarged Navigator Group to realise successfully any anticipated synergy benefits when the Offer is implemented (including changes to the board and/or employee composition of the Enlarged Navigator Group), the inability of the Navigator Group to integrate successfully the Accrol Group’s operations and programmes when the Offer is implemented, the Enlarged Navigator Group incurring and/or experiencing unanticipated costs and/or delays (including IT system failures, cyber-crime, fraud and pension scheme liabilities), or difficulties relating to the Offer when the Offer is implemented. Other unknown or unpredictable factors could affect future operations and/or cause actual results to differ materially from those in the forward-looking statements. Such forward-looking statements should therefore be construed in the light of such factors.

These forward-looking statements are based on numerous assumptions regarding the present and future business strategies of such persons and the environment in which each will operate in the future. By their nature, these forward-looking statements involve known and unknown risks and uncertainties (and other factors that are in many cases beyond the control of Accrol, Navigator and/or Bidco) because they relate to events and depend on circumstances that will occur in the future. The factors described in the context of such forward-looking statements in this Announcement may cause the actual results, performance or achievements of any such person, or industry results and developments, to be materially different from any results, performance or achievements expressed or implied by such forward-looking statements. No assurance can be given that such expectations will prove to have been correct and persons reading this Announcement are therefore cautioned not to place undue reliance on these forward-looking statements which speak only as at the date of this Announcement. None of the Navigator Group nor Accrol Group, nor any of their respective associates or directors, officers or advisers, provide any representation, warranty, assurance or guarantee that the occurrence of the events expressed or implied in any forward-looking statements in this Announcement will actually occur. All subsequent oral or written forward-looking statements attributable to Navigator, Bidco or Accrol or any persons acting on their behalf are expressly qualified in their entirety by the cautionary statements contained or referred to in this section. Other than in accordance with their legal or regulatory obligations (including under the Code, MAR and the AIM Rules), neither of Navigator, Bidco nor Accrol is under or undertakes any obligation, and each of the foregoing expressly disclaims any intention or obligation, to update or revise any forward-looking statements, whether as a result of new information, future events or otherwise.

No Profit Forecasts, Estimates or Quantified Financial Benefits Statements

Except where indicated in Section 8 of this Announcement, no statement in this Announcement is intended, or is to be construed, as a profit forecast or estimate for any period or a quantified financial benefits statement and no statement in this Announcement should be interpreted to mean that earnings or earnings per ordinary share, for Navigator, Bidco or Accrol, respectively for the current or future financial years would necessarily match or exceed the historical published earnings or earnings per ordinary share for Navigator, Bidco or Accrol, respectively.

Right to Switch to a Takeover Offer

Bidco reserves the right to elect, with the consent of the Panel, to implement the Offer by way of a Takeover Offer for the entire issued and to be issued share capital of Accrol as an alternative to the Scheme. In such an event, the Takeover Offer will be implemented on the same terms or, if Bidco so decides, on such other terms being no less favourable (subject to appropriate amendments), so far as applicable, as those which would apply to the Scheme and subject to the amendment referred to in Part C of Appendix I to this Announcement.

Part B

Waiver and Invocation of the Conditions

1. Subject to the requirements of the Panel in accordance with the Code, Bidco reserves the right in its sole discretion to waive, in whole or in part, all or any of the Conditions in Part A above, except for Conditions 2(a)(i), 2(b)(i) and 2(c)(i), which cannot be waived. The deadlines in any of Conditions 2(a)(ii), 2(b)(ii) and 2(c)(ii) may be extended to such later date as may be agreed (a) in writing by Bidco and Accrol or (b) (in a competitive situation) specified by Bidco with the consent of the Panel, and in either case with the approval of the Court, if such approval is required. If any of Conditions 2(a)(i), 2(b)(i) and 2(c)(i) is not satisfied by the relevant deadline specified in the relevant Condition, Bidco shall make an announcement by 8.00 a.m. (London time) on the Business Day following such deadline confirming whether it has invoked the relevant Condition, waived the relevant deadline or agreed with Accrol to extend the relevant deadline.

3. Conditions 2(a)(i), 2(b)(i) and 3 (a) to (i) (inclusive) must be fulfilled, determined by Bidco to be or to remain satisfied or (if capable of waiver) waived, by no later than 11.59 p.m. on the date immediately preceding the date of the Court Hearing, failing which the Offer will lapse. Bidco shall be under no obligation to waive or treat as satisfied any of Conditions 3 (a) to (i) (inclusive) by a date earlier than the latest date specified above for the fulfilment or waiver thereof, notwithstanding that the other Conditions to the Offer may at such earlier date have been waived or fulfilled and that there are at such earlier date no circumstances indicating that any of such Conditions may not be capable of fulfilment.
4. Under Rule 13.5(a) of the Code, Bidco may not invoke a Condition so as to cause the Offer not to proceed, to lapse or be withdrawn without the consent of the Panel. The Panel will normally only give its consent if the circumstances which give rise to the right to invoke the Condition are of material significance to Bidco in the context of the Offer. Conditions 1 and 2 of Part A (and, if applicable, any acceptance condition adopted on the basis specified in paragraph 2 of Part C below in relation to any Takeover Offer) are not subject to this provision of the Code. 2. In such event, such Takeover Offer will be implemented on the same terms and conditions or, if Bidco so decides, on such other terms and conditions being no less favourable, so far as applicable, as those which would apply to the Scheme subject to appropriate amendments to reflect the change in method of effecting the Takeover Offer, including (without limitation) the

inclusion of an acceptance condition set at 90 per cent. of the Accrol Shares to which the Takeover Offer relates or such lesser percentage as Bidco, with the consent of the Panel, decides, being in any case more than 50 per cent. of the Accrol Shares to which the Takeover Offer relates.

5. If any dividend, distribution or other return or value is announced, authorised, declared, made or paid in respect of Accrol Shares on or after the date of this Announcement and prior to the Effective Date, Bidco reserves the right to reduce the consideration payable for each Accrol Share under the terms of the Offer by the amount per Accrol Share of such dividend, distribution or other return of value. In such circumstances, Accrol Shareholders shall be entitled to retain any such dividend, distribution or other return of value announced, declared, made or paid.
6. If Bidco is required by the Panel to make an offer for Accrol pursuant to Rule 9 of the Code, Bidco may make such alterations to any of the above Conditions and terms of the Offer as are necessary to comply with the provisions of the Code.
